

Professional Development Policy

Children's Development Centre

2015/2016

1. This policy will be reviewed annually at the October staff meeting before being submitted to the Joint Professional Development Committee.
2. Professional Development money will be held in Group Account.

Teachers may access up to \$180 each year;

To access money beyond individual allocations, teachers will apply to the Staff Committee at the school before the event/purchase takes place.

After the final Pro-D Day the STA Professional Development Representative will allocate any surplus money equally to all members who exceeded their original allotment and had not made a request to the staff committee. Members will apply for this consideration.

At the beginning of each October, after the school Pro-D funds have been allocated, the Staff Committee will decide on how to allocate or designate any surplus carried over from the year before.

3. Teachers who exceed the amount of money allocated to them or who fail to seek pre - approval may bear the additional costs themselves.
4. All requests for funding must be accompanied by original receipts.
5. The staff will be advised of the amount of funds available to them as soon as this information becomes available.
6. The STA Professional Development Representative manages the teacher professional development account and is responsible for decisions related to teacher professional development money. This person may have a committee or clerical assistance but is ultimately the manager of this money.

7. Teachers may use Professional Development funds for any professional development activity that falls within the guidelines set by the Joint Professional Development Committee.
