Re: MOA 24.C.iv Other remedies that the local parties agree would be appropriate

The purpose of this Letter of Understanding is to document agreements on other remedies that the local parties have agreed would be appropriate. This is in accordance to ARTICLE 24.C.iv of the MOA: LOU NO. 17 EDUCATION FUND AND IMPACT OF THE COURT CASES - FINAL AGREEMENT

The local parties have agreed to the following "other remedies:"

1. Additional staffing for the school to be determined by the staff committee of the school in consultation with school administration.
2. Release time to attend Professional Development activities.
3. Release time to release another teacher to work in their class.

This LOU may be amended to add further agreed to "other remedies" or to remove "other remedies" that the local parties no longer determine to be appropriate.
